

Thank you for your interest in becoming a member of the Home Builders & Remodelers Association of the Valley. As an HBA Member, you will have direct access to some of the most successful and influential business people in the construction industry.

We represent many builders, remodelers and associate members who find our networking opportunities unique and worthwhile. There are many opportunities that HBA membership can provide for your business. They include:

- A respected professional membership that gives your clients peace of mind in choosing an HBA Member.
- Listing in our annual members' roster/directory that is exclusively distributed to our members.
- HBA Courier Magazine Subscription
- Association Web Site Listing and web advertising opportunities.
- Network opportunities and socializing with your peers at our many popular events.
- Educational opportunities to easily keep you up to date on changes in regulatory requirements, safety compliance and latest technological advances in the building and related industries.
- The chance to reduce your Workers Compensation Rate when you join our group rated program.
- And other money savings benefits exclusive for HBA members.

Once you join the HBA of the Valley, you also become a member of the Ohio Home Builders Association (OHBA) and the National Association of Home Builders (NAHB). These two associations work diligently to protect the home building industry against legislation which may adversely affect the industry.

We welcome you to join us. We need expert builders/remodelers and quality associates to make this a successful association representing the best in the industry. Joining the HBA is a great way to create new contacts and leads, network with others in the industry, and keep a strong voice for the building industry. If you have any questions, please do not hesitate to call our office, 330-965-9779.

Sincerely,

Jennie Brewer, Executive Officer

Home Builders & Remodelers Association of the Valley

“Every man owes part of his time and money to the business or industry in which he is engaged. No man has a moral right to withhold his support from an organization that is striving to improve conditions within his sphere.” -- President Theodore Roosevelt.

Code of Ethics

We as the Members of the HBA of the Valley believe and affirm:

- Home ownership can and should be within the reach of every American Family.
- American Homes should be built under the free enterprise system.
- American Homes should be well-designed and well-constructed.

To achieve these goals, we pledge allegiance to the following principles:

- Our paramount responsibility is to our customers and to our community.
- Honesty is our guiding principle.
- High standards of health, safety and sanitation shall be built into every home.
- Members shall deal fairly with their employees, subcontractors and suppliers.
- As members of a progressive industry, we encourage research in development of new materials, techniques and equipment.
- To improve methods of home financing that is fair and just to the builder and home owner.
- All sound legislative proposals affecting our industry and customers shall have our informed and vigorous support.
- We hold inviolate the free enterprise system and the American Way of Life.
- We pledge our support to our local, state and national organizations for the preservation of legitimate rights and freedoms.
- We assume these ethics and responsibilities freely, solemnly and mindful that they are a part of our obligation as HBA members.
